

MAKE LUNCHTIMES EPIC

Children can be the toughest food critics, so it can be challenging for caterers to deliver on taste, as well as meet school nutritional guidelines.

Our new Chicago Town pizza range tastes just as awesome as our famous 'Takeaway' but we have significantly reduced the salt and saturated fat. It's made with our unique rising dough that gives a real 'Takeaway taste' with a stuffed crust filled with our signature tomato sauce.

- Meets School Food Standards
- A high street brand that children recognise from home
- Helps caterers compete against food outlets outside school
- Generously topped - no need to add any extra topping
- Serve by the slice for the ultimate hand held snack, or with a salad at lunchtime for a versatile meal solution
- No special ovens required for consistent results every time
- Holds for 45 minutes when cooked
- Available in Cheese and Ham & Pineapple
