## MELAMINE DINNERWARE MINGLE

# INTRODUCING MINGLE

A brand new, attractive range of melamine tableware.

The look of ceramic stoneware dishes but without the weight, potential breakages and expense, W.V. Howe have developed this vibrant range as a versatile option and extremely durable alternative.

This tableware collection ensures that crockery breakages are kept to a minimum which makes an ideal choice for all education settings.

A broad choice of colours including Aqua, Cream, Fireball, Jade and Smoke, which can be ordered as a set or mixed for maximum impact in the canteen.

Due to the versatility of melamine, this tableware is perfect for both indoor and outdoor use.
